

THE ASTRONOMICAL SOCIETY OF THE PACIFIC ACKNOWLEDGES AND THANKS the following individuals and funding partners who provided support for our annual operating budget as well as specific programs from January 1 to December 31, 2008. Their investment and partnership made possible the growth of our mission-based programs. Thank you for your continued support as we work in concert to advance science literacy through engagement in astronomy. Together, we are making a difference.

Society Benefactor
(\$25,000 and above)

Estate of Mark A. Stolle
National Aeronautics & Space Administration
