The 2012 Project ASTRO™ training workshop will take place
July 27 - 28, 2012 (Friday and Saturday)

Participating teachers and astronomers are required to attend.

Administrator Support for Teacher Application – please return by May 29, 2012

If you have any questions call (415) 337-1100 x126, or e-mail bayareaastro@astrosociety.org.

Administrator support leads to more successful partnerships. Please have the appropriate administrator in your school or district, or Executive Director, certify support for your participation in Project ASTRO™ by completing and signing below. **Unsigned applications will not be accepted.**

ADMINISTRATOR SUPPORT (Required)

I will support the participation of (applicant) _____
in Project ASTRO™, including allowing him/her to spend Friday, July 27th away from the classroom to attend the first day of the training workshop. (The school will take financial responsibility for any costs incurred for substitute teachers, if applicable.)

I understand that a local astronomer will be visiting our school/organization.

Our school/organization will contribute \$ _____ (\$50 recommended) to cover registration and materials for the 2-day workshop. ***Note: No one will be excluded because of lack of funds, but contributions to help our project continue are appreciated.**

*If your school/organization would like to contribute funds to the program, please make the check payable to the Astronomical Society of the Pacific, and either submit it with your application, or bring it to the August workshop.
Thank you.*
