

2005 asp supporters

We take this opportunity to express our gratitude to our friends and benefactors who share in our mission and supported the Astronomical Society of the Pacific during 2004 – 2005. Your gift to the ASP is truly appreciated, thank you.

This year more than 500 individuals, organizations, and corporations made gifts to the Society ranging from \$1 to more than \$100,000. Gifts like these enable us to develop further and expand ASP astronomy education and outreach programs that excite, interest, and motivate students of all ages.

The following list includes gifts received between 15 December 2004 and 5 December 2005. Should you have any questions regarding this list, please contact Michael Gibbs, Chief Advancement Officer for the ASP.
